COVID-19 Closing announcement:

To ensure the health and safety of staff and our community, and following the social distancing guidelines of the Minnesota Department of Public Health, the Austin Public Library will close Wednesday, March 18 through Sunday, March 29. This includes all programming, meeting spaces and volunteers.

Materials currently checked out are not due until March 30th. The bookdrop will be open if you want to return materials. However, please do not return Hotspots or Chromebooks in the bookdrop.

Online resources at the library website will continue to be available 24/7.

The city will continue to monitor the situation and will be looking into alternate ways to offer services to the community. Thank you for your understanding and patience.
